Matches will be scored as shown in the Appendix 1 based on 'A' and 'B' strings which follow the number of teams in the division to which teams have been allocated.

The official league results software must be used to record the results

- 11.1 Upper Age Group: In all field events, 3 competitors per team shall be permitted, all of whom will score. If there are two U17 competitors, then both shall compete in the U17 age group, if there are three U17 competitors then one shall compete in the U20 age group and two shall compete in the u17 age group. **(For clarification: if there is only one U17 competitor then they must compete in the U17 age group).**
 Lower Age Group field: 2 competitors per event per team permitted.

(For clarification: relays are not subject to this rule)
- 11.3 In all events, the superior performer should be nominated for the 'A' string event. In all circumstances where events are run as combined events the better-performing competitor at the end of the competition will be deemed the 'A' string.
- 11.4 ***Should any athlete exceed their event restrictions as laid out in Appendix 1, the performances from any subsequent event(s) will be removed from the results. In addition, the points scored by the athlete in their highest scoring event will be deducted.***
- 11.5 Male and female events are scored together in all League matches.

- 11.6 In any contest, if two or more competitors are judged equal, they shall share the combined match points for the relevant places.
- 11.7 If the match points in a particular fixture are equal, the League points for that fixture shall be shared.
- 11.8 In the event of teams being equal on League points at the end of the season, total match points will decide positions.
- 11.9 In the event of a tied match score in the National Final or the Scottish Qualifier the greatest number of 'A' string first places will decide the finishing order. If this does not resolve the matter, then it will be decided on the greatest number of 'B' string first places. If still unresolved, then 'A' string second places, 'B' string second places and so on, until a decisive result is achieved.

12 NON-SCORING EVENTS

- 12.1 In the Upper Age Group each team is allowed to enter a non-scoring athlete in up to six events (of either age group) per gender per meeting.
