Declarations must be made on the Team Manager's Portal. I'm sure you are familiar with the manager's portal by now, but instructions for using the portal are available in the documents area on the league's web site, ukyd.org.uk if needed.

Any changes to your declared team **MUST** be made on the team manager's portal. A copy of your update sheets must be handed into the results team who will be situated in the Results Area – main stand next to photo finish, by 10.00 am on the day of the competition.

Any further changes during the day **MUST** be made using the team manager's portal, well in advance of the event start time and no later than 30 minutes prior to the start of the event. Again, to ensure start lists and field cards are up to date.

Please Note, Access to the 'Results Area' will be restricted to team managers only.

COMPETITION NUMBERS:

You will be issued with new competition (bib) numbers (as indicated on page 1)

PLEASE NOTE: One team manager is asked to collect your competition numbers and any other materials which you may require, from the officials reception area in the indoor warm up area.

Pins must be used to secure numbers front and back with a pin at each corner. (4 pins in each number)

HEALTH & SAFETY:

In line with other competition providers, the YDL Committee want to ensure the safety of athletes, officials and spectators throughout the weekend.
